Importance: Normal

All 3 have been present at different points for interviews of their clients. Two would be preferable but I don't want to not include anyone. At this point, it's fine.

Hello,

I did not send the below reminder email to the [REDACTED] folks as we are not certain all three should attend. Note for Monday to decide. The two other firms attending have two representatives each.

Good evening,

Thank you for your interest in the upcoming meeting. Please be sure to bring your government issued identification for verification and building access.
