Hi [REDACTED],

It's been a while and seems like things on this case worked out where some of the people who should be locked up are locked up.

I'm wondering if you know of a way I could ever talk to Ghislaine who's in prison. I have questions and words, and while don't assume there'd be closure for me in asking her these questions and talking to her, I'm hoping it might do something in my heart at least.

Do you know if or how these things would even work if possible in the first place?
I don't have the spare cash or time to fly to NY, but even if I did, is that how one would go about talking to someone like that in prison? So so out of my wheelhouse of things I'd ever considered even thinking about...

I apologize for not testifying. I was afraid and didn't want my name more associated with them than it was, and I'd spent a long time trying to distance myself from it all...not that that works fully but it was what I was capable of at the time. Still. I'm sorry.

Thanks [REDACTED],

Hi [REDACTED],

I've thought about it, and I think I'd like to hear what the lawyers say before I agree to an interview, and for me to ask some questions etc.

I am available in the morning on Thursday at 6am [REDACTED] time, or tomorrow morning at 11am [REDACTED] time, or I can do a Wednesday morning time if those don't work?

Thanks!
